SUBMISSION OF I.D.S. PHYSICAL EXHIBITS FOR INSPECTION

Commissioner for Patents
Washington, D.C. 20231

Sir:

In his outstanding paper, mailed October 15, 2002, to which a one-month period for response has been set, the Examiner has remarked that no additional information has been provided regarding the photographs of prior art latches (Items 1-6) accompanying the I.D.S. filed June 13, 2001. Those photographs heretofore have not been fully considered because said photographs did not meet the requirements for legibility under 37 CFR 1.98(a)(2), see the Examiner's remarks dated July 20, 2001.

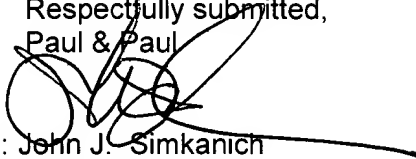

Applicants submit herewith a VHS video tape showing separately each of the subject six prior art latches, both as still-shots and as operated by hand. In support of the VHS video tape, applicants hereby present, on loan to the Examiner, the six physical exhibits, which appear on the video tape filed herewith, and which are shown in the objected photographs filed with the I.D.S. dated June 13, 2001.

The Examiner is hereby requested to notify applicants' attorneys when he has finished his inspection of the physical exhibits. Applicants' attorneys will then have their Washington

agent pick-up the physical exhibits from the Examiner or his art unit receptionist, as the Examiner shall direct.

The video tape is requested to be entered into this application.

Respectfully submitted,
